PROFESSIONAL EXPERIENCE

Salesforce Web Engineer Intern

Manulife, Waterloo

Jan 2020 – Apr 2020, Sept 2020 – Apr 2021

- Maintained and customized **10+** UI features (i.e. contact lists, random ID generator, data tables, user access) based on user's needs using HTML, CSS, JavaScript, SOQL, and Apex
- Partnered with full-stack developers and the QA team to write **50+** test cases for new programs to increase components' reliability before deploying to the production stage
- Collaborated in cross-functional teams in an Agile (Scrum) environment using Confluence, Jira, and Slack
- Demonstrated strong leadership, collaboration, task and deadline management skills between sprints
- Deployed features to the production server successfully for daily operation

Cyber Security Resilience Coordinator

Canadian Imperial Bank of Commerce, Toronto

Jan 2019 - Apr 2019

- Collected and managed suspicious behaviours using Confluence, MS Office, Excel, and Access
- Analyzed and organized cyber security activities, including Red Teaming, Threat Hunting, and user behaviours

Quality Assurance Developer

American International Group, Waterloo

May 2018 - Aug 2018

- Wrote and updated QA automation scripts for weekly regression tests using Python Selenium
- Documented code and results on Confluence, and generated user-friendly reports for the team

PROJECT EXPERIENCE

UX Project (Group)

University of Waterloo

May 2021 - Dec 2021

- Designed a fitness mobile app UI by facilitating interactive design processes via Figma, Miro, and MS Teams
- Empathized with users and improved smart animation with **89%** positive feedback according to usability testing
- Demonstrated excellent problem-solving skills and leadership as a project coordinator in the team

UI Development Projects (Independent)

University of Waterloo

Jan 2021 - Apr 2021

- Implemented interactive interfaces for a cubic spline graphing and customizing tool using Java
- Developed a mobile data table UI feature by retrieving data from a public API using React Native

TECHNICAL PROFICIENCIES
